Subject: regarding the FOIA for the Heavens Supply Ecology VCP site

Hi all,

Thank you for compiling materials you have that are response to the FOIA from Riddell Williams law firm.
In order to complete our response, I need to ask the following from each of you:
- Did you determine if any materials you have were responsive to the FOIA, but you declined to provide them for any reason?

In addition, a couple of other questions:

For Kira, did you review all of the emails you provided in terms of whether they are responsive to the FOIA, or did you basically just include everything you had? I ask this because I need to know how critically I need to review them in terms of responsiveness.

For Sheila, You included a copy of a set of email exchanges dated 4/13 through 4/15/2011 among you, myself, Kira, Charles Ordine and Thomas Jahnke. I apparently had not kept these exchanges and in a quick look at Kira's, I don't see them in hers either. If you have those handy, could you please send

them to me electronically?

The last one of the series is from me to you, on 4/15/11. I need to run this by ORC to find out if it is responsive, and if so, if it should be withheld. I have one other document, between Aaron Smith and his attorney, that I have provided to ORC for this purpose. Sheila, If you don't have the 4/11 exchange handy electronically , I can use the hard copy you provided in your package.

Thanks again for all your help on this.

Marcia
